Application no. 73841/01
Klemeco Nord AB v. Sweden

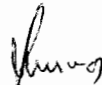

Dear Sir,

I acknowledge receipt of your fax of 19 March 2007 in which you request that the above-mentioned case be referred to the Grand Chamber.

In reply, I have to inform you that this request does not meet the formal conditions set out in the Convention (Article 43 § 1) in that it is directed against a complaint declared inadmissible by the Court.

The request is thus clearly inadmissible and, pursuant to a general instruction of the Court, will not be submitted to the Grand Chamber's panel of five judges set up under Article 43 § 2 of the Convention.

Yours faithfully,

Santiago Quesada
Section Registrar
